

OUR OCEAN *Our* FUTURE.

Repreve Our Ocean is a premium collection of fiber and resin sourced from bottles at high risk of entering the ocean.

As the World's number one brand of recycled performance fiber, Repreve prevents damage to sea life and fights against pollution in the ocean.

Every year
8.8m
tons of plastic are
dumped into oceans.

If nothing changes, there will
be more plastic than fish in
the oceans by 2050
